

TeachingBooks<sup>SM</sup>

# **6 Fun Ways to Incorporate Standards-based Gems with TeachingBooks**

Kym Davick

Director of Implementation & Educational Support

# Welcome!

Our mission is to equitably give all readers insights and opportunities that deepen their understanding and joy of the books they are reading.

Our Quest is to empower every reader to...

- Connect deeply with a book
- Gain new insights and understanding from the author
- Thoroughly experience the joy of reading.

# TeachingBooks Support Points

## **Inquire**

- Multiple opportunities and varied formats to discover information

## **Include**

- Resources that meet the needs of all learners

## **Collaborate**

- Build relationships with colleagues, students, and the community using the share tools

## **Curate**

- Ever expanding professionally vetted content

## **Explore**

- Questions collected from exploration and personal interest

## **Engage**

- Inspire learners with primary source resources - Learn from the book creators

## Let's Explore
