YOU ARE ENTERING A CONTRACT WHICH LIMITS YOUR POSSIBLE RECOVERY IN CASE OF LOSS OR DAMAGE.

The terms and conditions set forth below become a part of the contract between HERITAGE exposition services and you, the exhibitor. Exhibitor is deemed to have accepted these terms and conditions when any of the following conditions are met:

- The material handling service agreement is signed;
- Exhibitor's materials are delivered to the HERITAGE warehouse or to a show or exposition site for which HERITAGE is the official show contractor, or
- An order for labor and/or rental equipment is placed by exhibitor with HERITAGE.

1. DEFINITIONS. For purposes of the Contract, "HTG" means HERITAGE Exposition Services, Inc., d.b.a. HERITAGE Trade Show Services, HERITAGE, Heritage Exposition Services, HES Logistics, and their respective employees, directors, officers, agents, assigns, affiliated companies, and related entities including, but not limited, to any subcontractors HTG may appoint. The term "EXHIBITOR" means the Exhibitor, its employees, agents, representatives, and any Exhibitor Appointed Contractor ("EAC"). Cold Storage: Holding of Goods in a climate controlled area; Accessible Storage: Holding of Goods in an area from which Goods may be removed during shows; Services: Warehousing, transportation, drayage, un-supervised labor, supervised labor and/or related services; Show Site: The venue or place where an exposition or event takes place; Supervised Labor (OK TO PROCEED): Union labor that is provided to a Customer to install or dismantle a booth or exhibit space, and is supervised and/or directed by HTG; Un-Supervised Labor (do not proceed): Union labor that is provided to a Customer to install or dismantle a booth or exhibit space and pursuant to Customer's election is not supervised and/or directed by HTG. Customer assumes the responsibility and any liability arising therefrom, for the work of union labor when Customer elects to use un-supervised labor.

2. SCOPE. These Terms and Conditions shall be binding upon Exhibitor, HTG, and their respective Agents and representatives, including but not limited to Exhibitor contracted labor, EAC's or Installation and Dismantle Companies, and any other party with an interest in the Goods. Each shall have the benefit of and be bound by all provisions stated herein, including but not limited to time limits and limitations of liability.

3. Payments are due prior to delivery of services or equipment to EXHIBITOR unless other credit arrangements have been made. All payments shall be in U.S. currency, MasterCard, VISA, American Express or Discover credit cards, debit cards, or check, provided there is sufficient customer credit in EXHIBITOR's form of payment to completely satisfy the amount owed by EXHIBITOR to HTG. Undersigned authorizer acknowledges and agrees that all applicable charges for services rendered to the EXHIBITOR will be applied to the credit card on file in the event other form of payment is not tendered prior to the close of the trade show. In no instance shall any Exhibitor be extended credit beyond 30 days after the close of the Show. If there are any outstanding balances owed by EXHIBITOR to HTG which have not been paid after 30 days following the close of the Show, then these unpaid balances shall bear interest at the rate of 1-1/2% per month (18% per annum).

4. Any discrepancy in items ordered and items received or any complaint or question concerning services, etc., must be reported to the HTG Service Center at the show, in writing, immediately upon noting same. Problems will be resolved and/or any valid adjustments in EXHIBITOR's account will be made at that time, and approved by the HTG Project Manager in charge. Credits and adjustments will not be made based on information received after the Show. Exhibitors who cancel prior to Exhibitor Move-In will be refunded 100% of their advance payment. No refunds will be made for cancellations received once Exhibitor move-in begins or at show site, unless otherwise noted on the specific service form. In the event the exposition or event is cancelled or postponed, HTG reserves the right to charge for services rendered in preparation of the event or exposition as well as non-refundable costs incurred by HTG. Prior to any refunds being paid to EXHIBITORS, these cancellation and/or postponement charges will be determined in good faith by HTG and withheld from any amounts previously paid by EXHIBITOR to HTG in proportion to receipts from all exhibitors with the excess being refunded. EXHIBITOR should be advised that routine audits of Exhibitor booths for service usage are conducted during the Convention. Should the result of such an audit indicate that equipment or services is in fact being used that has not been paid for, the Exhibitor will be charged for the equipment or service at the applicable rate.

5. HTG reserves the right to discontinue one or all services or equipment delivery to EXHIBITOR for non-payment of one or more outstanding bills should such bill not be paid before the close of the first day of the Show. Payment for any one or more of the services rendered does not in anyway release EXHIBITOR from payment of the other remaining services upon presentation of an invoice. Should it become necessary after all discrepancies are resolved to employ a collection agency, then EXHIBITOR agrees that all reasonable and customary collection fees shall be borne by EXHIBITOR.

6. CHOICE OF LAW & VENUE. Any dispute between HTG and EXHIBITOR shall be governed by the laws of the State of Missouri (without regard to Missouri's conflicts of laws principles). Venue of any action between HTG and EXHIBITOR shall lie exclusively in the state or federal courts located in St. Louis, Missouri and HTG and EXHIBITOR agree that all reasonable attorney's fees shall be borne by the prevailing party.

7. LIMITATION OF LIABILITY & INDEMNITY. HTG shall not be liable to any extent whatsoever for any actual or potential loss of profits or revenues, or for any collateral costs or consequential damages, which may result from (1) any loss, injury or damage to EXHIBITOR's materials or (2) EXHIBITOR's ability to carry-on in its normal business practices. Additionally, HTG shall not be liable for (1) any loss, damage or delay as a result of fire, lightning, strikes, riot or civil commotion or any other cause or condition beyond the control of HTG, (2) damage to uncrated materials, materials improperly packed, or (3) concealed damage, or loss, theft or disappearance of EXHIBITOR's materials while at the show or EXHIBITOR's materials are in EXHIBITOR's possession or are located within or near the confines of EXHIBITOR's booth. HTG's liability shall be limited to any loss or damage which results solely from HTG's negligence in the actual physical handling of EXHIBITOR's materials and not from any other type of loss or damage. HTG does not assume any liability for any loss or damages to electronics, monitors, or devices. HTG's maximum liability for any cause shall be limited to $0.30 per pound per article with a maximum liability of $50.00 per item or $1,000.00 per shipment. HTG shall not be responsible for loss, theft, or disappearance of materials before they are picked up from EXHIBITOR's booth or for reloading after the show. Bills-of-lading covering outgoing shipments, which are furnished to HTG by EXHIBITOR, will be checked at the time of actual pickup from the booth and corrections made where discrepancies occur. Any claims for loss, injury or damage must be submitted to HTG within thirty (30) days of the close of the show in which the loss, injury or damage occurred, or such claims shall be waived. No suit or action for the recovery of any claims arising out of or related to bodily injury, death,or property damage shall be brought against HTG more than one year after the accrual of the cause of action. EXHIBITOR agrees to indemnify and hold harmless HTG against any and all claims, suits, liabilities, or damages, including reasonable settlements and reasonable attorney's fees, arising out of negligence or any other cause on the part of the EXHiBITOR, subcontractors, suppliers, employees or any individual or company under the control directly or indirectly of the EXHIBITOR at the show.
a. Cold Storage. Goods requiring cold storage are stored at Customer's own risk. HTG assumes no liability or responsibility for Cold Storage. b. Accessible Storage: HTG assumes no liability for loss or damage to Goods while in Accessible Storage. Storage charges are for the use of space and are not a form of insurance, or a guarantee of security. c. Unattended Goods: HTG assumes no liability for loss or damage to unattended Goods received at Show Site at any time from the point of receipt of inbound Goods until the loading of the outbound Goods, including the entire term of the respective show or exhibition. Customer is responsible for insuring its own Goods for any and all risk of loss. d. Empty Storage: HTG assumes no liability for loss or damage to Goods or crates, or the contents therein, while containers are in Empty Storage. It is Customer's sole responsibility to affix the appropriate labels available at the HTG Service Desk for empty container storage, and ensures that any pre-existing empty labels are removed. e. Forced Freight: HTG is not liable for Customer Goods left on the show floor after the show closing deadline, with or without a Material Handling Services/Straight Bill of Lading signed by Customer. It is Customer's responsibility to complete accurate paperwork for shipping to ensure Customer Goods are properly labeled. f. Concealed Damage: HTG shall not be liable for concealed loss or damage including but not limited to glass, electronic equipment, prototypes, original art, uncrated Goods, or improperly packaged or labeled Goods. g. Unattended Booth: HTG shall not be liable for any loss or damage occurring while the Goods are unattended in Exhibitor's booth at any time, including, but not limited to, the time the Goods are delivered to the dock until the time the Goods are received by Exhibitor's selected carrier. h. Labor: HTG assumes no liability for loss , damage, or bodily injury arising out of Exhibitor's supervision of HTG provided union labor. i. Notice of Loss or Damage: In order to have a valid claim, notice of loss or damage to Goods must be given to HTG or its agent within 24 hours of occurrence (as evidenced in an Incident Report completed at Show Site by HTG) or delivery of outbound Goods.

8. ADVANCED WAREHOUSING/TEMPORARY STORAGE: HTG assumes no liability or responsibility for loss or damage to Goods delivered to the Advance Warehouse or other similar Temporary Storage facilities.

9. EXHIBITOR recognizes that HTG provides services as EXHIBITOR's agent and not as bailee or shipper. If any employee or subcontractor of HTG shall sign a delivery receipt, bill-of-lading, or other document, EXHIBITOR agrees that these signatories will do so as EXHIBITOR's agent, and EXHIBITOR accepts the responsibility thereof. HTG or its subcontractors are authorized to note the quantities or condition of items on the EXHIBITOR's bill-of-lading when the actual count or condition of such items do not conform to the amount or amounts recorded by EXHIBITOR. Correct weights with Weight Certificate must be provided, otherwise HTG's or its subcontractor's estimate will prevail in the event of any weight discrepancy.

10. Exhibitor permits all contact information provided to HTG to be used by HTG and shared with other entities assisting in the production of the event in question. Email communications may include show information, promotional materials, advertising statements and other commercial notices. Permission may be revoked by the EXHIBITOR in writing.

11. In the case of bills submitted to parties other than the EXHIBITOR (i.e., Third Parties), such arrangements in no way release EXHIBITOR from any and all of the terms and conditions outlined herein.

12. REFUNDS: EXHIBITOR shall receive a full and complete refund of any overpayments following final audit after the close of the Show. HTG will remit refunds to EXHIBITOR at the name and address indicated on the Exhibitor Data Sheet. EXHIBITOR will receive a refund for any extra overpayment above and beyond the amount which EXHIBITOR owes to HTG. Also provided for the EXHIBITOR with the final refund shall be a final accounting showing the services or equipment ordered.

13. CREDIT CARD: HTG is pleased to accept orders for services, with payment being made by a credit card. By paying for these services in advance, and adhering to the deadline date, you have taken advantage of the discount offered. However, if a payment is subsequently made by check with the intention of reversing the initial credit card payment, there will be a fee assessed for each subsequent transaction following the initial transaction. The fee to reverse the credit card payment and replace it with a check or an alternate credit card is as follows: If the credit card charge is $1.00 to $500.00 the fee is $25.00, $501.00 to $1,000.00 the fee is $30.00, $1,001.00 to $2,000.00 the fee is $60.00, $2,001.00 to $5,000.00 the fee is $150.00, $5,001.00 to $10,000.00 the fee is $300.00, $10,001.00 to $20,000.00 the fee is $450.00. Amounts over $20,000.00 the fee is 4% of the amount owed.

14. Insurance: It is understood that HTG is not an insurer. Insurance should be obtained by the EXHIBITOR. It is highly recommended that exhibitors arrange All Risk coverage which usually can be done by endorsements to existing policies. EXHIBITOR's materials should be insured from the time they leave their firm until they are returned after the close of the show. Insurance and liability against theft or property damage to equipment or exhibit material owned or rented by EXHIBITOR, or bodily injury occurring within the confines of EXHIBITOR's booth, remain the sole and complete responsibility of EXHIBITOR. Except where prohibited by law, the EXHIBITOR and its insurers waive all rights of recovery or subrogation against HTG and their respective directors, officers, employees, and agents.

15. By completing and submitting the service forms, Exhibitor hereby authorizes HTG as its Exhibitor Appointed Contractor to process and pay for those services on behalf of the Exhibitor as a third party.

16. HTG Reserves the right to adjust the price charged for any item in the event of a sudden and unexpected price increase. By way of example without limiting the foregoing, in the
event fuel prices escalate in a rapid manner, the price of any individual item may be adjusted to reflect the impact of higher fuel prices. Additionally, HTG reserves the right to pass through to Exhibitor any incremental charges or fees levied by the facility, suppliers or other third parties.

WHAT IS MATERIAL HANDLING? Material handling is the process of receiving your materials, either at the warehouse in advance of the show or at show site during move-in; delivering them to your booth; removing empty containers for storage during the show; returning the empty containers to your booth after the show; delivering your materials back to the dock; and loading for outbound shipping. Charges are determined by weight and ease of handling.

EMPTY REMOVAL INSTRUCTIONS

All exhibitors must have all crates tagged for empty storage by 1 hour prior to end of exhibitor move-in.
NOTE: Exhibitors will be subject to a surcharge of up to 20% of the total freight invoice if crates are not tagged for removal by set deadline.
Any shipment not handled by Heritage, but for which Heritage is required to handle storage of the empty shipping containers, a charge of $50.00 per crate, case, box, or carton will be assessed.

CERTIFIED WEIGHT TICKETS

In the event that no weight tickets or inaccurate weight tickets are indicated on the delivery documents presented, Heritage shall estimate the weight or re-weigh, and charges shall be based upon the estimates. The estimated weight shall be final and binding if actual scale weight figures are not submitted prior to the close of the show. All shipments received at the warehouse and show site are subject to re-weigh.

INSURANCE

It is understood that Heritage is not an insurer. Insurance, if any, should be obtained by the exhibitor. It is suggested that exhibitors arrange All Risk coverage. This can be done by endorsements to existing policies. Exhibitor's materials should be insured from the time they leave their firm until they are returned after the close of the show.

INBOUND SHIPMENT(S)

Consistent with trade show practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of the exhibitor or his/her representative. During this time, the materials will be left unattended. Heritage will not be responsible or liable for any loss, damage, theft, or disappearance of exhibitor's material after it has been delivered to the exhibitor's booth.

OUTBOUND SHIPMENT(S)

Heritage will not be responsible or liable for any loss, damage, theft, or disappearance of exhibitor's material between the time it is packed and when it is picked up and loaded. If found liable for any loss, Heritage's sole and exclusive MAXIMUM liability for loss or damage to EXHIBITOR'S materials and EXHIBITOR'S sole and exclusive remedy is limited to $.30 (USD) per pound per article with a maximum liability of $50.00 (USD) per item, or $1,000 (USD per shipment), whichever is less.

LIABILITY

- Shipments delivered or consigned direct to the dock or warehouse address are subject to the following: Heritage shall not be liable for loss, damage or delay due to fire, acts of God, strikes or causes beyond its control. Furthermore, Heritage maximum liability is limited to $0.30 per pound per article, with a maximum of $50.00 per item or $1,000.00 per shipment, while these goods and materials are in the warehouse or in vehicles during delivery to or from the convention facility.
- Heritage shall not be responsible for damage to uncrated materials, improperly packed materials or concealed damage.
- Heritage shall not be responsible for loss, theft, or disappearance of materials after same has been delivered to the exhibitor's booth.
- Collect shipments will not be accepted. Send freight prepaid.
- Direct carrier shipments must have certified weight tickets. If correct weights are NOT provided, receiver's estimates will prevail. Mixed shipments arriving on van lines must have certified weight tickets separating weights of crated items from loose and uncrated items. Weights not broken out will be charged at "loose and uncrated" rates.
- NO LIABILITY IS ASSUMED for shipments without receipts, freight bills, or specific counts such as UPS or van lines.
- Empty container labels will be available at Heritage Service Desk. Affixing the labels is the sole responsibility of the exhibitor or his representatives. All previous labels should be removed or obliterated. Heritage assumes no responsibility for:
  - Error to above procedures.
  - Removal of containers with old empty labels and Heritage labels.
  - Improper information on empty labels.
  - Material stored in containers with empty labels.
- To expedite removal of materials, Heritage shall have authority to change designated carriers.
- Heritage has Right of Preference into and out of show-site building to prevent tie-ups and provide an orderly operation for the show.
- Exhibitors have the responsibility of arranging for outgoing shipments.
- Make sure materials are properly crated and labeled before turning in Bills-of-Lading to freight desk. This prevents shipping out empty crates.
- Acceptance of Bills-of-Lading by Heritage freight desk does not represent acceptance of counts on the bill. All outgoing freight will be counted by designated carrier at the booth, notifying Heritage of any adjustments. Heritage is not responsible for security of exhibitor freight that is left unattended in the booth while waiting for the designated carrier.
- Heritage shall not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor's materials which may make it impossible or impractical to exhibit same.
- Claims for loss or damage must be submitted to Heritage prior to the close of the Show. No suit or action shall be brought against Heritage more than one (1) year after the accrual of the cause of action.
- Any claims regarding material handling services will be adjudicated on its own merits and shall not impact payment for any other services due.

ALL CHARGES ARE THE RESPONSIBILITY OF THE EXHIBITING COMPANY FROM WHOM MATERIALS HAVE BEEN RECEIVED AND HANDLED.

HERITAGE RESERVES THE RIGHT TO SHIP MATERIALS WITH OFFICIAL SHOW CARRIER IF EXHIBITOR CARRIER DOES NOT CHECK IN BY THE APPOINTED DATE AND TIME.

- **Crated:** Material that is skidded or is in any type of shipping container that can be unloaded at the dock with **no special handling required.**
- **Special Handling:** Applies to shipments that are loaded by cubic space and/or packed in such a manner as to require additional labor/handling, such as ground unloading, constricted space unloading, designated piece unloading, or stacked shipments. Also included are mixed shipments and shipments without individual bills of lading. Shipments loaded in this manner require additional time, labor, or equipment, to unload, sort and deliver. **Federal Express (FedEx), UPS, USPS and DHL are included in this category due to their delivery procedures.**
- **What about carpet/pad only shipments?** Shipments that consist of carpet and/or carpet padding only require additional handling because of additional labor and equipment to unload.
- **What is a Small Package?** (30lbs. maximum per package) Letters or small packages received at show-site **during show hours only.**
- **What is a Cartage Company?** Freight forwarders, as well as, other carriers, will often outsource the delivery of their freight to third party cartage companies. Cartage companies provide local pick-up and delivery services to and from the event venue, as well as, other locations. In most cases, cartage companies will consolidate shipments from multiple carriers onto a single truck. Due to their loading/unloading procedures, these shipments may fall into the additional handling category.
- **What is Ground Loading/Unloading?** Vehicles that are not dock height, preventing the use of loading docks, such as U-hauls, flat bed trailers, double drop trailers, company vehicles with trailers that are not dock level, etc.
- **What is Constricted Space Loading/Unloading?** Trailer loaded “high and tight” shipments that are not easily accessible. Freight is loaded to full capacity of trailer - top to bottom, side to side. One example of this is freight that is loaded down one side of a trailer that must be bypassed to reach targeted freight.
- **What is Designated Piece Loading/Unloading?** Drivers that require the loading crew to bring multiple pieces of the freight to the rear of the trailer to select the next piece, having to remove freight from the trailer then reload to fit or the trailer must be loaded in a sequence to ensure all items fit.
- **What is Alternate Delivery Location?** Shipments that are delivered by a carrier that requires pieces to be delivered to different areas/levels in the same building, or to other venues (such as a hotel near an event venue).
- **What are Stacked Shipments?** Shipments loaded in such a manner requiring multiple items to be removed to ground level for delivery to booth. Stacked or “cubed out” shipments, loose items placed on top of crates and/or pallets constitute special handling.
- **What are Multiple Shipments?** Multiple shipments on a truck do not automatically indicate special handling, unless the shipments are mixed on the truck, failing to maintain shipment integrity and/or have multiple deliver areas.
- **What are mixed shipments?** Mixed shipments are defined as shipments of mixed crated and uncrated goods, where the percentage of uncrated is minimal and does not warrant the full uncrated rate for the shipment, but does require special handling.
- **What does it mean if I have No Documentation?** Shipments arrive from a small package carrier (including, among others, Federal Express [FedEx] and UPS) without an individual Bill of Lading, requiring additional time, labor and equipment to process.
- **What is Inbound?** Shipments being sent to a warehouse for advance receiving or to show site.
- **What is Outbound?** Shipments leaving show site and being sent to another destination.
- **What is Off Target?** Used when there is a specific date and time that an exhibitor must move in by and is missed.
- **What is a Marshalling Yard Fee?** A marshalling service has been established to ease congestion at the facility and better utilize dock space. All carriers and privately owned vehicles must check in at the marshalling location prior to unloading/loading.
- **What is Overnight Parking Fee?** There is a fee for parking at the marshalling yard. This is for exhibitors with company owned trailers and box trucks only. **Any vehicles left without a parking pass will be towed at owner’s expense.**
- **What are Shipments Returned to Warehouse?** Shipments returned to the warehouse at close of show will be charged an additional fee of $50.00 per CWT (2500lb. min.). Shipments not picked up from the warehouse within 72 hrs. will be charged for storage by Heritage.

WHAT IS SHIPPING?

Shipping is the process of a carrier picking up your items from your office or place of origin and transporting it to the dock of either advance warehouse or facility dock of your event. It is separate from Material Handling. Exhibitors may use any carrier they want, including HES Logistics.

WHAT IS MATERIAL HANDLING?

Material Handling is the process of receiving your shipment from your carrier and managing it through the event cycle. It is a standard tradeshow practice and it is a chargeable fee typically based on the weight of your shipment. Don't forget to add Material Handling to your budget!

Material Handling Process:

- Unloading the trade show freight from your carrier once it arrives at the receiving dock.
- Transporting your shipment to your booth space.
- Removing empty shipping containers (boxes, crates, and pallets) from your booth.
- Temporarily storing your empty shipping containers during the show.
- Returning empty shipping containers to your booth once the event is over.

UNION JURISDICTION RULES

ARPA-E ENERGY INNOVATION SUMMIT 2027

To help you in your planning, it's important to understand in advance that union labor will be required for certain aspects of your exhibit handling. Since Work Rules and Union Jurisdictions vary from city to city, please familiarize yourself with the following statements to help you in understanding the Union Requirements in the facility.

DECORATOR & CARPENTER JURISDICTION

It is necessary for all exhibitors to use qualified union personnel for the installation and dismantling of prefabricated exhibits and displays and to install and remove draperies and floor covering. The handling, placing or setting out of merchandise that is to be displayed does not require union labor and may be done by the exhibitor. In addition, the installation or dismantling of an exhibit which does not require the use of hand tools, or more than one person, and can be accomplished within thirty minutes, may be performed by the owner or company representative. Your labor requirements can be ordered on the enclosed Exhibit Labor Order Form.

TEAMSTER JURISDICTION

Our Material Handling Department is responsible for maintaining in and out traffic schedules at the show site. Even local exhibitors should clear all movements of exhibit materials through this department, as we will have priority at the unloading area at all times. Union jurisdiction allows individually hand carried items only and will not permit exhibitors use of dollies, hand trucks or pushcarts. Material Handling Services may be ordered in advance by completing and returning the enclosed Shipping Information and Service Order Form or by ordering on site at the HERITAGE Service Desk.

SAFETY

Standing on chairs, table or other rental equipment is prohibited. This equipment is not engineered to support your weight. HERITAGE cannot be responsible for injuries or falls caused by the improper use of this equipment. If assistance is required in assembling your booth, please order labor in the Display Labor section of the HERITAGE order form and the necessary ladders and/or tools will be provided.

TIPPING

HERITAGE requests that exhibitors do not tip employees.

LABOR

If you encounter any difficulty with any laborer, or if you are not satisfied with the work performed, please bring this to the attention of the Show Manager at HERITAGE during the show. Please refrain from voicing complaints directly to craft personnel.

The person in charge of your exhibit should carefully inspect and sign all work order forms. If there are any questions about any bills, bring the bill to the appropriate Service Desk and discuss it with the person in charge.
