Diving Deep Into Implementation

© 2024 CA Homeless Education Conference

Goal of Session

Establish & build relationships with other Homeless Education professionals from rural areas of the state.

Objectives

- Educators feel part of a larger supportive community.
- Share concrete ideas to bring back to your schools.
- Plant seeds for future partnerships and networking.

AGENDA

- Welcome and Introduction
 - “Working without a net”
- Sharing Bright Spots
- Resource & Idea Sharing
- Next Steps for Networking & Collaboration
- Optimistic Closure

“Working without a net”

What are one or two struggles you’ve faced without adequate resources?

Take 3 minutes to think & write on a sticky note.

Sharing Bright Spots

At your table, each person shares a success story or initiative that made an impact in your school/district.

What made it work in a rural setting?

10 minute Table Talk

Stay Connected!

- Exchange contact info with 1-2 new potential partners.
- Join us for Rural Panel.
- 2024-25 Rural Community of Practice
 - Write your name and email on a sticky and leave it with Meagan or Jessica

Optimistic Closure

Share one commitment for supporting rural homeless students with someone at your table.

Give us your feedback
