About the Investment Summit

The SelectUSA Investment Summit is the top event in the United States for FDI promotion, connecting investors, companies, economic development organizations, and industry experts to advance opportunities available through U.S. investment.

SelectUSA promotes and facilitates business investment by working with companies wanting to establish U.S. operations and connecting them with partner U.S. economic development organizations seeking to attract investment.

The SelectUSA Investment Summit is the premier venue for international investors of all sizes to find the right place, people, resources, and market they need to be successful in the United States.

Recognizing that the competitiveness and job generating ability of a nation is determined by its desirability as a place for businesses to operate, SelectUSA was created at the federal level to showcase the United States as the world's top location for foreign investment and to provide easy access to federal-level programs and services related to business investment.

“The SelectUSA Investment Summit is the most valuable event that we attend each year. The ability to connect directly with global businesses that are looking to do business in the U.S. is unmatched.”

Subsequent reassignment of canceled space does not relieve the canceling exhibitor of the obligation to pay the cancellation assessment.
- The exhibitor agrees that the appropriate payment based on the schedule above must be received by eventPower within 15 days of the cancellation notice or by the first date of the conference (whichever comes first). If payment is not received by these dates, a collection agency will be assigned to collect the debt. The exhibitor will be assessed the collection agency fees (typically an additional 30%)
