

About Preventive Medicine

Preventive Medicine is the premier annual gathering of preventive medicine and public health specialists. For 2021, the event will be offered on a fully virtual platform – running live during conference dates and available for three months following the event! This year's theme is Resilience: Meeting the Challenge, Preparing for the Future. Don't miss the chance for your organization to play a part in shaping the future of preventive medicine.

Anticipated Attendance: 450+

Attendee Demographics:

Board certified physicians with specialty in preventive medicine, general public health, occupational medicine and aerospace medicine.
