

# 2021

— SELECTUSA —  
INVESTMENT SUMMIT  
JUNE 7-11, 2021

**NOW  
VIRTUAL**

**Select Global Women in Tech (SGWIT)** is dedicated to connecting international female founders of early-stage and startup tech companies to resources needed to successfully bring their product or service to the U.S. market.

## 2021 SGWIT Mentorship Network

U.S.-based successful entrepreneurs, corporate executives, venture capitalists, angel investors, and attorneys interested in supporting international female founders in achieving U.S. expansion goals should submit their interest in mentoring today!

## Mentor 1-on-1

Meet individually with your mentee at least three (3) times over the six-month program. Guide them through the challenges of setting up and succeeding in the U.S. market.

### Provide Support and Guidance

*As international female founders seek to overcome challenges such as Scaling, Promoting, Fundraising, and Establishing their U.S. presence.*

### Assist mentees as they utilize the program's resources

Including educational webinars, sessions on making the most of a mentorship, and peer-to-peer networking opportunities.

**Make a meaningful impact on global women looking to take their business to the United States.**

**SELECT**   
**GLOBAL WOMEN** IN TECH

**Sign-up  
to take the  
next step.**

## APPLY

## TO BE A MENTOR

**Applications are due by May 15, 2021**

*Note: All mentors must be vetted by SelectUSA prior to being confirmed. U.S. government employees and economic development organization officials are not eligible as mentors, but may support the program in other ways.*

**The SGWIT Mentorship Network will formally launch at the 2021 SelectUSA Investment Summit.**
