About the Investment Summit

SelectUSA promotes and facilitates business investment by working with companies that want to establish U.S. operations and by partnering with U.S. economic development organizations to attract investment.

The SelectUSA Investment Summit is the premier venue for international investors of all sizes to find the right place, people, resources, and market they need to be successful in the United States.

Recognizing that the competitiveness and job-generating ability of a nation is determined by its desirability as a place for businesses to operate,

SelectUSA was created at the federal level to showcase the United States as the world's premier business location and to provide easy access to federal-level programs and services related to business investment. SelectUSA is designed to complement the activities of our states—the primary drivers of economic development in the United States.

The access that companies have at the Summit to the highest level of the federal government, plus all of the state and local agencies, for us it was an unparalleled opportunity to access all of the people in one place that we need to make our transition to the U.S. easier.

- In the event of either a full or partial cancellation of space by an exhibitor, eventPower reserves the right to reassign canceled booth space, regardless of the cancellation assessment. Subsequent reassignment of canceled space does not relieve the canceling exhibitor of the obligation to pay the cancellation assessment.
- The exhibitor agrees that the appropriate payment based on the schedule above must be received by eventPower within 15 days of the cancellation notice or by the first date of the conference (whichever comes first). If payment is not received by these dates, a collection agency will be assigned to collect the debt. The exhibitor will be assessed the collection agency fees (typically an additional 30%).
