

On behalf of the Florida Association for Media in Education (FAME), the professional association for school library media specialists in the state of Florida, I would like to bring your attention to the 49th annual FAME Conference. The FAME conference is the only conference in the state of Florida geared specifically for school library media specialists and with the theme Educate.Advocate.Celebrate!, this year's FAME conference is one not to miss!

There are many changes in the field of school libraries in the state of Florida right now. With the implementation of new laws, intense scrutiny, and a shortage of educators, it is imperative that your school library be staffed by a highly qualified, certified school librarian. Is your school librarian ready for these changes? FAME can help equip your school library media specialist with the tools to become a leader in their field. Please consider investing in their attendance at this important conference.

The 49th annual FAME conference will be held November 30-December 2 at the Ocean Center Daytona Beach. Registration is only \$250 for FAME members and administrators can attend for \$125. This includes 3 keynote speakers, concurrent sessions featuring best practices, digital literacy, the implementation of new Florida statutes, collection development, and so much more. We will also have over 20 authors and 60 vendors, allowing your media specialist to preview books in person and begin building even better collections to meet the needs of your students. Please use [this link](#) to register, learn about our amazing keynote speakers, and find out more about what our conference has to offer.

We look forward to seeing you at FAME 2022! Join us to Educate. Advocate. Celebrate!

Sincerely,

Michelle C Jarrett

FAME President, 2022
