

2023 SPONSORSHIP OPPORTUNITIES

Florida Coalition to End Homelessness invites you to FOCUS on ending homelessness in the State of Florida by finding original, creative, unique solutions during this year's conference.

For 20 years, the annual FCEH Conference has remained the only conference in the state of Florida focused exclusively on ending homelessness; bringing together experts, influencers, and innovators to share best practices, present new ideas, and collaborate on solutions to prevent and end homelessness.

This conference places an emphasis on networking and finding solutions; helping over 400 attendees annually develop long-term relationships with their peers to support efforts to serve Florida's most vulnerable residents.

Harness the energy of like-minded individuals committed to a common cause as human services professionals, educators, healthcare, and business leaders from the public and private sectors converge to shape the conversation and develop the next steps in the effort to end homelessness.

As a sponsor, you will have the opportunity to network with Florida's committed group of advocates - individuals and organizations who understand the important role we all play in ending homelessness.

There will be a 1 ½ day exhibit hall where you can network with attendees of the conference. All vendors who do business with or would like to do business with Continuums of Care leaders, local government, school districts, or service providers are encouraged to exhibit at the FCEH Conference.

FCEH offers sponsors a variety of choices, please view the sponsorship packages on the next page.
