

Welcome to Huntsville Alabama and the 14th Annual National Cyber Summit! We are honored to have you with us. The North Alabama Chapter of ISSA (Information System Security Association) is one of the founding organizations of the National Cyber Summit and is your 2023 Host. NAC-ISSA has been involved with this conference since the beginning and are eager to continue our support. The National Cyber Summit is one of the nation's top cybersecurity technology events encouraging innovation and bringing new ideas to secure our nation and our assets. Each year we bring unique educational New Technology, collaborative, and workforce development opportunities for security visionaries and rising leaders.

The North Alabama Chapter of ISSA is over 300 members strong and growing. We provide our members with learning and networking opportunities multiple times each month and help members earn and track their CPEs. In addition to the National Cyber Summit, NAC-ISSA hosts BSides Huntsville and Rocket Secure (to be held October 27th 2023) cyber conferences each year, connecting our cyber community with the best trainings and speakers throughout the year. Our event presenters are top cybersecurity speakers introducing our members to the latest security technology and tools.

Thank you again for attending the National Cyber Summit. Our Board of Directors and members look forward to seeing you during this week. Below is a list of our elected and appointed Board of Directors.

Donna Quick-Keckler – President, Marc Sachs – Vice President, Nisheeth Agarwal – Treasurer, Andrew Staton – Secretary, Phil Lee – Membership and Events Director.
