# Utilize the Navigation Menu

- To access the Navigation Menu on mobile, click the hamburger icon in the upper left corner.
- Click on any available tab to view its respective content.

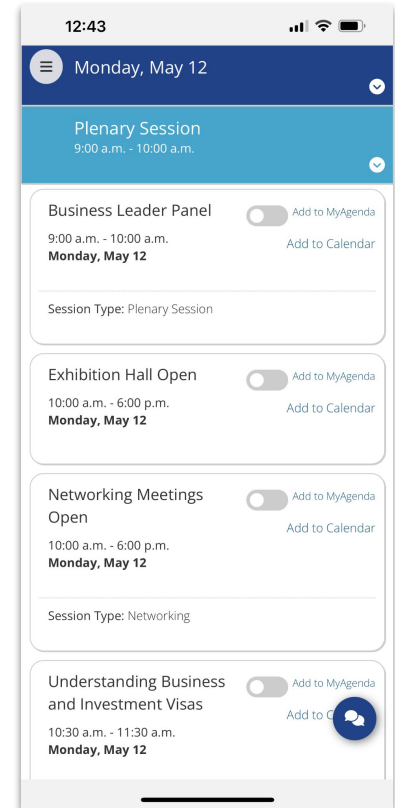

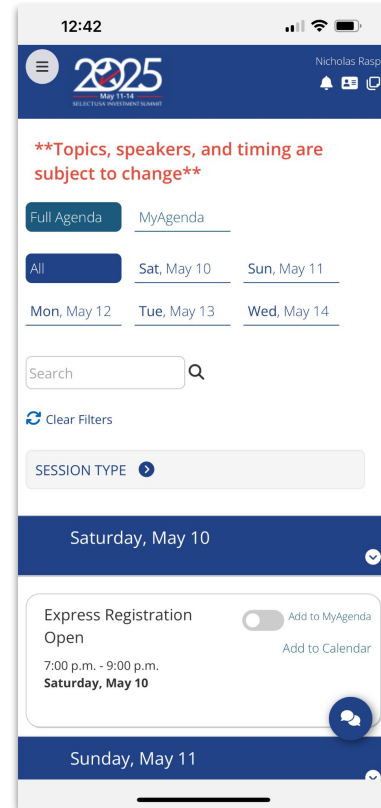

*Note: Some of the tabs shown above may not be available to you based on your participation type.*

# View the Summit Agenda

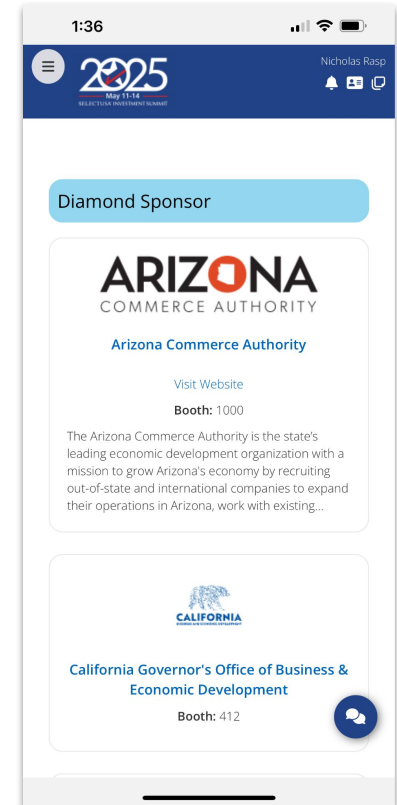

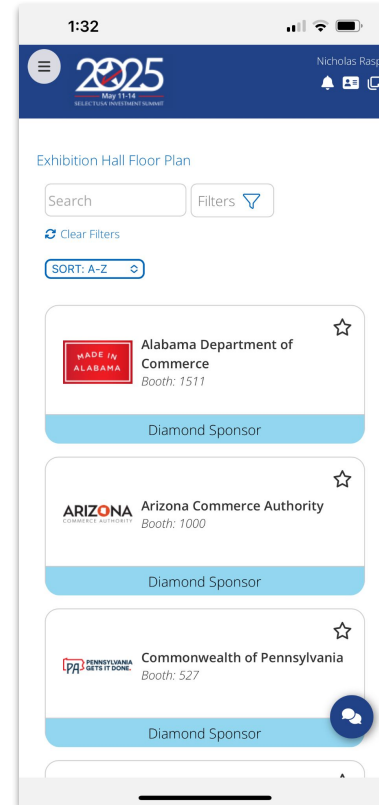

- The Summit Agenda will update in real time.
- Use filters at the top to quickly search for sessions and events.
- Create your personal “MyAgenda” by selecting the MyAgenda toggle on any session or event.
- On mobile, notice headers stick to the top of the screen to help keep track of where you are on the agenda.

*Note: Adding a session to your MyAgenda will prevent you from adding other conflicting sessions to your MyAgenda.*

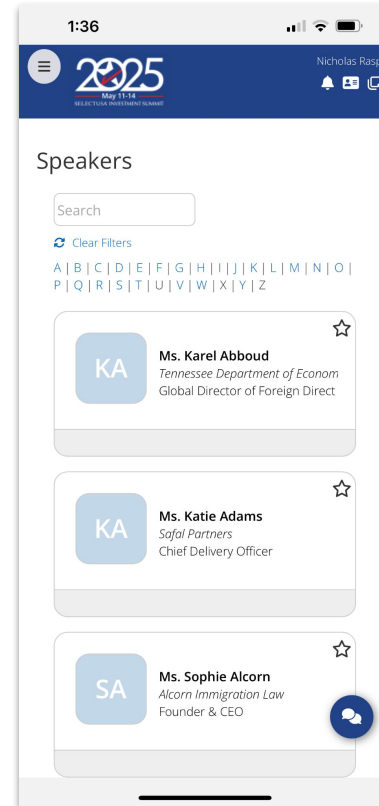

# Exhibitor & Sponsor Listings

- Search and filter through the Main Exhibition Hall exhibitor listing.
- Favorite, and click into a listing to view more information.
- View the Sponsors page for highlighted sponsor information.

# Browse the Speaker Listing

- The Speakers tab will display all speakers at the Investment Summit.
- Favorite and click into a speaker's profile to read their bio and see what sessions they are speaking at.

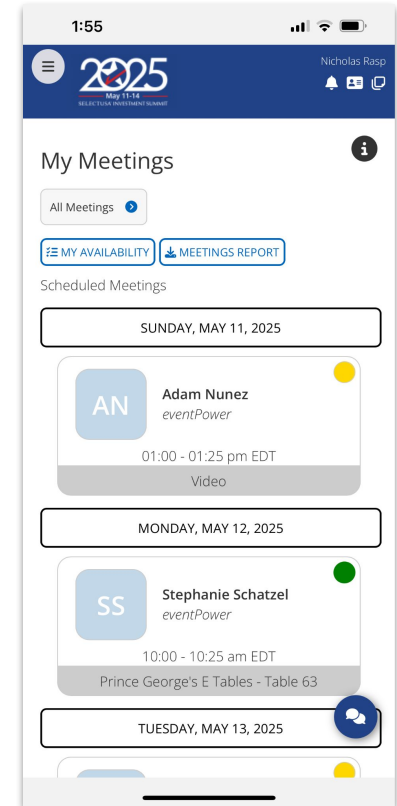

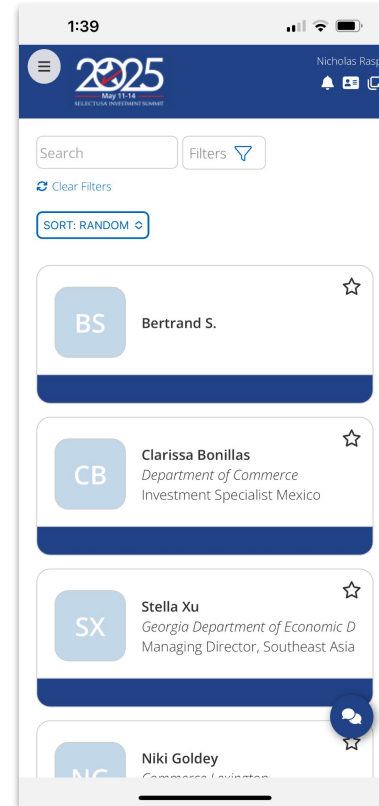

# Network with Attendees & View Your Meetings

- The Participant Networking tab will allow you to connect with others and set up meetings.
- Favoriting an attendee will add them to the “Favorites” Filter at the top of the page.
- The My Meetings tab will display all of your scheduled meetings in chronological order.
- You can manage your availability, and download your meetings report.

*Note: Favoriting an attendee does not add them to the Favorites tab. In this instance they are only added to the Favorites Filter.*

# Reference the Venue Map & FAQs

- Refer to the Gaylord National Map for directions. You can zoom in on the map from your mobile device.
